Hi Aaron,

You would need to email Janice Schmieding at the Public Service Commission, and copy me, requesting that the certificate be cancelled. He will continue to receive notifications for the docket since he's still a party, but he would be removed from ORS's "out of compliance list". Typically the PSC will issue a notice that his certificate is cancelled. Once that is issued, he would no longer be revoked. Janice's email is below. Let me know if we can further assist.

Janice.Schmieding@psc.sc.gov

Thanks,
 Lessie Hammonds

I received your voicemail. If you would be so kind as to give the contact information for voluntarily cancelling the certificate, that would be greatly appreciated.

I've been contacted by Holy City Limo, LLC regarding the above referenced Petition. I left you a voicemail earlier this week. I'm writing to confirm that there would not be any additional fee or penalties imposed if Holy City Limo were to simply allow the Petition to proceed and have its certificate revoked. Please let me know at your earliest convenience.
